

## For those without a home

*A temporary answer to the "need for a home" for people and families without a home.*

The Housing Service is a temporary answer to the need for a home for people and families "without a home" as a result of eviction or order to vacate, in a state of poverty or serious marginalization and therefore and with an insufficient income to support lodging costs in the free market.

The services consist of economic aid which allows temporary accommodation in hotels, in flats or in cohabitation.

Ways of getting the service

The request is directly presented by the interested person to the Distretti Sociali (Social Districts).

### **Requirements**

Italians and foreigners resident in Ancona subject to: executive measure eviction (not ordered for contractual default) order to vacate issued by the Mayor.
