

Informagiovani

An office for youths dealing with free time, working and much more

Informagiovani is a centre that keeps you informed about your interests and where you can find information about SCHOOL, WORK, TRAINING, SPORT, TRAVELLING and HOLIDAYS, SOCIAL and VOLUNTARY WORK, UNIVERSITY etc..

Information is organized in databases, broad archives, notice-boards where messages can be left and received, texts and specialized magazines.

Free internet surfing, specialized magazines, files that can be freely consulted, a Eurodesk service for European opportunities and an Informacultura service for interesting cultural initiatives, guidance workshops and instant books about specific themes are also available.

But, above all, here you will find young and competent workers, who will be able to help you, give you advice and discuss with you. You can find Informagiovani at the addresses indicated below.
